```c
#include<stdio.h>
void main()
{
    int num;
    printf("Enter the Number\n");
    scanf("%d",&num);
    if(num>10)
    {
        printf("Number is greater than 10");
    }
    else
    printf("Number is less than 10");
}
```

Output

```
/tmp/fXQW2FRaSf.o
Enter the Number
15
Number is greater than 10
```
